SUMMER DANCE INTENSIVES

July 17 - 21 | July 24 - 28 | August 7 - 11 | August 14 - 18

Join us for 1 - 4 weeks of our exciting and encouraging Summer Dance Intensives for students ages 8 - 20. Students enrolled in the intensives will take classes in Ballet, Tap, Jazz, Lyrical, Hip Hop, Contemporary, and Tumbling (optional). All students throughout the camp will take technique based classes, and learn combinations in various dance styles, all in a very structured and positive class setting. These intensives are designed to challenge the intermediate to advanced dancer. Each student will be placed in the appropriate session, and will be challenged to his or her best ability. Dancers interested in being a part of our FDC Performance Company are encouraged to attend at least 3 weeks of the Intensives. Any dancer interested in solo/duet work is encouraged to attend all 4 weeks (or comparable).
